

1st Lion Dance Dialogue with President Liang Eng Hwa on 17th January 2013

A total of 21 representatives from our affiliated club members attended the 1st Lion Dance Dialogue on 17th January 2013, at the Singapore Wushu Dragon and Lion Dance Federation. The dialogue covered a range of pointers listed below:

1. Why is there a reduction in participation in the National Lion Dance Competition, and how to encourage more participation?
2. Are the standards of the local lion dance troupes comparable to international standards? What would be the means of enhancing the local standards?
3. How to improve the Ngee Ann City National Lion Dance Championships, to make it more appealing?
4. International Lion Dance championships already have the following categories, Freestyle, Standard, Traditional and Technical Routines. Is SWDLDF willing to organize these categories in future competitions?

We would like to thank all participants for giving us good feedback and suggestions during the dialogue session.
